## **“Post-normal science and its ethical aspects - Doctoral projects and other projects in the making” A new workshop: 2 October – 4 October 2017**

Note: ***Your participation is confirmed.***

Dear participant,

As you can see with the above list of participants, there have been some changes in the above name list. Those who are on the list have confirmed they want to participate. Other told me they could not come, or have simply not answered in time. One exception is Vanessa who is still waiting for a confirmation from her supervisor (who had a death in the family), but is interested in coming. I wait for her final confirmation. Thus there is still some minor uncertainty about the final list, but as scholars in post-normal science we embrace uncertainties! If of you all come, we will have used all the available chairs in the Stiftung!

I have attached a preliminary schedule for the talks. I hope this works for you. As usual, the seniors are free to present a lecture if they feel like it, or if people want to hear them. They are marked with a question mark!

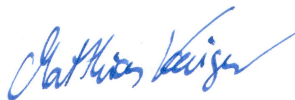

Ulrike is back at the office now, and can assist you in your travel plans. If you want her to arrange your travel or have it pre-paid, contact her and discuss this with her. In particular, I ask Sahir and Jeff to contact Ulrike with a proposal of travel arrangements since you both need international travel. If Jeff also needs an official letter of invitation for visa reasons (entering the EU / Schengen), let me know. Sahir has got his.

In order to keep the budget, and secure inexpensive tickets we require a final and binding **registration** to the workshop by **15 July 2017**. **The registration form will be sent to you by Ulrike soon.** Again, if you have any questions, do not hesitate to send an email to Matthias Kaiser ([matthias.kaiser@svt.uib.no](mailto:matthias.kaiser@svt.uib.no)) **and** to our administrative officer Ulrike Horway ([ulrike.horway@asfpg.de](mailto:ulrike.horway@asfpg.de)). In the meantime you may think about what you would like to present.
