“Post-normal science and its ethical aspects - Doctoral projects and other projects in the making” The workshop: 29 September – 1 October 2014

Dear All,

In a couple of days we shall meet in the ASFPG in Hamburg Altona. Unfortunately Emma Issatt will not be able to join us after all, due to illness. Thus we are only 10 PhD researchers presenting their work. This will give us a little more time during the final day. I have attached a preliminary schedule for the talks. I hope this works for you. As usual, the seniors are free to present a lecture if they feel like it, or if people want to hear them.

Ulrike has sent out all the necessary information and I understand you are all ready to go! Please try to be at the ASFPG at 09:00 am, or perhaps five minutes earlier.

See you in Hamburg in a couple of days.

Matthias Kaiser
