“Post-normal science and its ethical aspects - Doctoral projects and other projects in the making” Workshop: 9 September – 11 September 2015 Fourth circular

Note: ***Your participation is still confirmed.***

Dear participant,

Unfortunately Joanna could not make it after all, so now we have one participant less, which means altogether 1 ½ hours more to discuss in the program. I have attached a preliminary schedule for the talks.

I also made a rough budget now and checked the airfare and train prices. It seems airfares between Bergen and Hamburg are quite low right now (1765,-NOK t/r), so I would recommend all those Norwegians who have not yet booked their flight to do this quickly, else the prices might go up again. A final circular will be sent by Ulrike in September.

With kind regards,

Matthias Kaiser
